Bob Thilmont participates in a Canadian Broadcasting Documentary on the effects of Off Shoring in Northern Colorado.

Fort Collins, Colorado, October 20, 2004 – Bob Thilmont President of Mountain Global Inc. participated in a Canadian Broadcasting Company (CBC) documentary on the effects that Off Shoring is having on workers in Northern Colorado. Bob arranged for the CBC to come to Fort Collins to learn first hand of the impact that Off Shoring is having in Northern Colorado and what individuals are doing to address this issue.

The program will air the week of October 26th on the CBC evening news program the National. The program can be viewed on DirecTV channel 366 or Comcast digital cable.

Mountain Global Inc. is a business development services company working with small to mid size companies to establish effective growth strategies both locally and globally.
